

THE SHEPHERD'S CENTER OF RICHMOND

ANNUAL REPORT

JULY 1, 2013 - JUNE 30, 2014

The mission of The Shepherd's Center of Richmond
is to enrich the lives of older people and enable them to continue
to live independent, meaningful lives.

The Shepherd's Center of Richmond marked its 30th Anniversary with a gala celebration April 4, 2014. Receiving Distinguished Service Awards were William (Bill) and Miriam Blake, Betty Ann Dillon, Betty and James (Buddy) Harlan, and Gene Harrison Knoop, whose work and support have been invaluable to the development and successful operation of the Center over the years. Carole and Marcus Weinstein were specially recognized for their continuing generosity to the Center. A round of applause went to all the volunteers present at the celebration who have provided services to seniors in need, staffed the Center's office, worked on committees, and taught courses or lectured for the Open University.

Professional leadership of The Shepherd's Center of Richmond changed. Linda Frank resigned as Executive Director effective January 31, 2014 after nearly ten years in the position. Ralph H. Graner took over as part-time, interim, pro-bono director February through May while the search for a permanent replacement continued. Julie Adams-Buchanan, the Center's Volunteer Services Coordinator for the preceding 6 ½ years, was named the Executive Director effective June 1, 2014.

In view of the change of leadership, a consultant was hired to help the Board review the mission of the Center and to devise a strategic plan for the next three years. The Board will be meeting throughout the fall to work with the consultant on these issues. Additionally, in the spring the Board undertook a revision of the by-laws and focused on building stronger Board leadership through committee work and fundraising.

The Shepherd's Center of Richmond is extremely grateful to our many volunteers who help support active aging through opportunities for volunteer leadership, learning and service. In a variety of different ways they share their time, talents and experience. Volunteers provide cost-free rides to doctors' offices and grocery stores. Along with handymen and caller-visitors, they all help area seniors live independently in their own homes. Education Committee members, teachers, lecturers, and hospitality workers operate the Open University at three different locations during our academic year. The Travel Committee organizes exciting trips. The Board of Directors and committee members are the core of our whole organization. Their extraordinary contributions to others are a tribute to older adults everywhere who bring new meaning to community service.

THE WILTSHIRE SCHOLARSHIP FUND

In 2012, Susie Wiltshire's French class took it upon themselves to create a scholarship fund to honor their beloved teacher. They initially collected \$500 to start the Wiltshire Scholarship. Since then, they have added at least \$340 more. The fund benefits those who would like to attend the Open University but may not have the means to do so. We are grateful to those individuals that have made this possible. Thank you!!
